1280
Companies
(including the top 20 Pharma Companies)

Top inquiry types for deeper data and analysis:

Business strategies	Deals	Drugs	Investigator and Sites	Trials	Diseases
Pipeline Reviews	Epidemiology	Forecasts	Regulation and Policy	Trends	Market Access

Example questions from our Clients

What is the clinical trial design of competing studies?	What is the competitive evidence of trial performance, efficacy & safety?	When are competitors trials expected to finish enrolling and treating patients?	What has the FDA voting history been?
What drugs are in development against a particular target?	Which investigators have the right experience in my specific patient population?	What drugs are available for licensing?	Have any drugs against this target already been explored? What stage of development did they reach?

Customers who value the Ask the Analyst service:

“Citeline Ask the Analyst support is Awesome – best in the Industry.”
Multi-National Pharma Company

“The online support “Ask the Analyst” is the best I ever found across the whole industry.”
Mid-Size Pharma Manufacturing Company

“Absolutely brilliant. So simple, so clear, and yet so un-obvious. Thank you.”
Scientist, Mid-Size Pharma Company

“Looking forward to using this wonderful service again. Glad my company is able to use this service as part of our subscription.”
Associate Director, Mid-Size Pharma Company

“I am a great fan of the Ask the Analyst service and use it very frequently. To be quite honest, I am not sure what I would do without this super service.”
Director, Feasibility, Global CRO
